Facebook: StOswaldsCG

You will find us at Malvern Way, Croxley Green, WD3 3QL,  
just off Baldwins Lane.

There is a direct footpath link from Baldwins Lane into the  
rear of the church grounds, and car park access from  
Malvern Way.

The office entrance is at the back of the church hall.

# Introducing Myself

A Letter from our Vicar designate Reverend Ritah  
Namakula

My name is Ritah, and I am looking forward to joining you all at St Oswald's. I have been asked to say a little about myself, which is never the easiest thing to do, but here goes.

I will be joining you from St Leonard's Church in Sandridge near St Albans, where I have spent time learning about ministry and how to serve within a community full of life, generosity, and faith. My time there has been formative. I have enjoyed ministry greatly and have been made aware of God's presence and guidance as I have learned what it means to walk alongside people in both joyful and challenging moments

of life.

This move is a family journey as I will not be arriving on my own. I will be joining you with my two children and my mother. My family

What's On and Dates for Diaries pp 18-19, Prayers p 25,  
Puzzles p 30, Contacts p 35

and I visited St Oswald's last year and we were made to feel genuinely welcome. That sense of warmth and hospitality has stayed with us. My hope is that we can continue to build on that spirit, so that everyone who comes through the doors of St Oswald's feels just as welcomed and valued.

Since my ordination, I have had the privilege of working with people of all ages. I have spent time with adults through Bible study groups, Lent and Advent courses, and more informal gatherings such as tea parties, where conversation and fellowship are just as important as learning. In addition, I have enjoyed working with adults in retirement homes those with learning difficulties and my ministry has grown through listening, presence, and shared moments of connection.

Over the years, I have also worked with children and young people ranging from babies and toddlers through to teenagers in secondary school. I have joined toddler groups, services, holiday clubs, and youth groups.

If there is a common thread running through all of this, it is simply that I enjoy working with people. I love meeting people where they are, listening to their stories, and sharing life together. I believe this reflects something very simple: I love all God's people, and I believe the church is called to be a place where everyone feels that they belong.

When I am not working, family life is very important to me. I love family holidays and spending time together, whether that is walking, talking, or simply being present with one another. I enjoy walking and reading. My family and I are avid followers of Formula One racing, something that often surprises people!

As I prepare to join St Oswald's, my hope is that we can use this time God has given us to grow together as a community, one

where everyone feels welcome, where questions about faith can be asked freely and openly, and where people are supported and encouraged in their faith journey, whatever stage they may be at. I am looking forward to meeting you all, getting to know you, and becoming part of the life of this parish.

With every blessing

## Ritah

Wednesday 20th May at  
7pm:

Licensing our new Vicar!

We are pleased to announce that The Revd Ritah Namakula will be licensed on Wednesday 20th May at 7pm at St Oswald's. Further details as and when we get them, but please put this date in your diaries.

This year we raised over £1650 from St Oswald's Christmas Tree pledge scheme in aid of Mercy Ships.

Mercy Ships is a faith-based international development organisation that deploys hospital ships to some of the poorest countries in the world, delivering vital, free healthcare to people in desperate need.

(continued overleaf)

Volunteers on board their floating hospitals, the Africa Mercy and the Global Mercy, complete thousands of urgent operations. In addition, they work closely with host nations to improve the way healthcare is delivered across the country, by training and mentoring local medical staff, and renovating hospitals and clinics. Mercy Ships is currently working in Senegal, Guinea, Cameroon, Benin and Madagascar.

Here are two examples:

- 2-year old Armella in Madagascar suffered from a large lump behind her ear, about the size of a grapefruit. Thanks to the volunteers on Africa Mercy she benefited from free surgery to remove it and give her family new hope for the future.

- Yusif from Sierra Leone was 5 years old when he was bitten by a snake on his hand. Sadly he could not receive the right treatment and his arm became severely deformed and useless. This caused Yusif much pain and humiliation. Fortunately, when he was 11, surgeons on the Global Mercy were able to rescue Yusif's arm and give him back the use of his hand.

By improving healthcare delivery in every country it visits, Mercy Ships is working to eradicate the diseases of poverty and effectively do itself out of a job. Mercy Ships follows the model of Jesus by “bringing hope and healing to the forgotten poor”, helping people of all faiths and none.

# **A CROXLEY RAMBLER'S DIARY**

Notes from the north Croxley woods - 20th January 2026

Winter sunshine in Harrocks wood

There has been plenty of rain recently and the sky was grey again as I approached Long Newlands Spring. The southerly air was fresh and cool. Underfoot, the combination of rain and clay made for a glutinous, slippery surface, so you had to take care. I made my way into Dell wood which was quiet apart from a few robins singing and one or two dog-walkers.

The Woodland Trust has been working hard in these woods to fell ash trees that are dying from ash dieback, so that they don't pose a danger to those who spend time here. The reality of the danger was made clear recently when a large ash tree on the edge of Dell wood fell across the neighbouring public footpath. Fortunately no-one was hurt.

Fallen ash tree, Dell wood

The latest evidence suggests that 80% of the UK's ash trees will succumb to the disease. But there is a prospect that the remaining disease-tolerant trees will allow the ash population to recover. Normally the Trust would not recommend removing trees from

woodlands so that there is the best chance for recovery. However, steps have to be taken where there are safety considerations.

There were many ash trees in Newlands Spring. That reflects the evolution of that part of the woods. In 1896 the Ordnance Survey shows this space as an open field bounded by Rousebarn Lane to the north and a thin woodland strip or spring to the south. However, the 1913 map shows that by then the field had become woodland. As gardeners will know, ash trees, along with holly, are some of the first to colonise an open space when they are allowed to do so.

New planting, Newlands Spring

Consequently, it is not surprising that the Woodland Trust had to fell a large number of trees in Newlands Spring which were close to the footpath. There are a number of sizeable log piles. But the main thing that I noticed when turning into the Spring was the large number of

newly planted saplings protected by light brown sleeves. The Trust's contractor has planted over 4,000 saplings from several native species.

However, felling trees that pose a safety risk is not always possible. The machinery required cannot get into the areas around the old quarries within Dell and Merlins woods. Consequently a number of paths have been closed with fencing for safety reasons.

I made my way from Newlands Spring through Merlins wood and down the hill into Harrocks wood. This is the time of year when not a great deal is going on in the natural world. As I walked towards Chandlers Cross there were fewer dog walkers and the southerly air meant that the ever-present hum of the M25 was quieter than usual. It was good to hear a song thrush and in the distance a green woodpecker. A couple of jays screeched at each other in the tree tops. Some of the hazel catkins were beginning to stretch out - an early sign of spring.

The main track on Harrocks wood was so wet and muddy that I tried an alternative path and came across a pile of rubbish that had been there for years. In my capacity as a volunteer for the Woodland Trust I picked up more litter - the remains of someone's drinking spree - from the car park in Rousebarn Lane.

That made me think of the possible impact on the woods from the proposed construction of 600 houses in the large field right next to the woods. There would be a large increase in footfall, in trampling of the woodland floor and littering. Moreover, people come with their cats and dogs which would have an impact on woodland wildlife too. More homes are needed but is this the right place? Three Rivers Councillors will have their say on 22nd January.

## St Oswald's Parochial Church Council update January 2026

The PCC met on 27th January. Helen McAlpine brought us up to date on arrangements during the interregnum. We are very grateful to the priests who have presided at services and will continue to do so. There will be some occasions in February and March when priests are not available and we will use a service of the word instead of holy communion. Arrangements for the licensing of our new vicar, Rev'd Ritah Namakula, will be publicised nearer the time.

The PCC thanked Karen Pryse for her work in preparing the 2025 accounts. The outcome is a surplus of £20,000. That is welcome since the church has not been able to transfer funds into reserves for several years. The PCC agreed to allocate £7,000 to the church fund, £7,000 to the hall fund and £5,000 to the fund for renewing the church hall kitchen. Maintenance spending will be needed to renew the Jubilee room fire exit door and the hall radiators.

The PCC agreed to a proposal for a display of kneelers in the baptistry. Permission will now be sought from the Diocese. The PCC is keen to receive contributions towards the cost which is expected to be about £250.

The PCC agreed to a 'Donations Policy' which sets out an explicit agreement between donors and the church about the use of donated items.

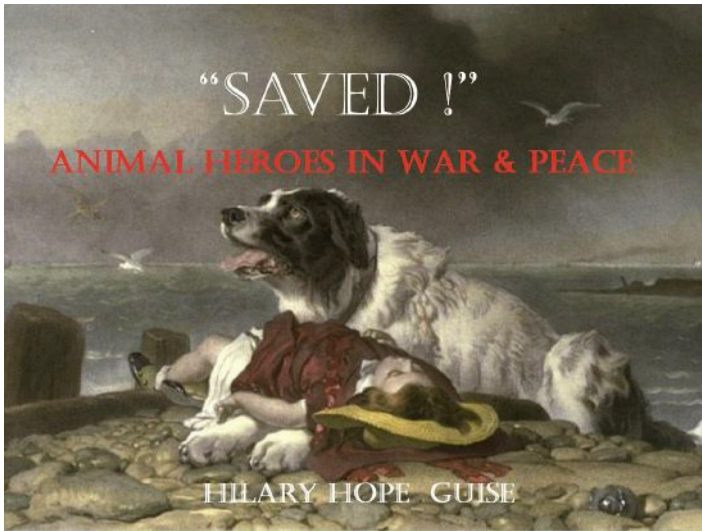

In addition to the events listed in the magazine 'dates for diaries', preliminary dates have been set for a Jumble Sale on 10th October and a Christmas Fair on 14th November.

Looking ahead to the Annual Parochial Church Meeting on Sunday 26th April, the church will elect two members of the Deanery Synod and at least four PCC members. Please consider whether you would like to be nominated.

## **ARCHBISHOP OF CANTERBURY SARAH MULLALLY**

The new Archbishop was confirmed in her role on 28th January. Here is a brief biography drawn from [archbishopofcanterbury.org](http://archbishopofcanterbury.org)

### **Nursing**

Sarah worked as a nurse in the National Health Service, which she has described as "an opportunity to reflect the love of God". She specialised as a cancer nurse and became a ward sister, before being made Director of Nursing at Chelsea and Westminster Hospital. In 1999, at the age of 37, she was appointed the Government's Chief Nursing Officer for England in the Department of Health. She was the youngest person ever to be appointed to the post. Sarah was made a Dame Commander of the British Empire in 2005 in recognition of her outstanding contribution to nursing.

### **Becoming the First Woman Bishop of London**

While working as Chief Nursing Officer she trained for the ministry, was ordained in 2001 and served her curacy in St Saviour's Battersea Fields. Sarah left her Government post in 2004, which she described at the time as "the biggest decision I have ever made". In 2012 she became Canon Treasurer at Salisbury Cathedral and three years later took the role as Suffragan Bishop of Crediton in the Diocese of Exeter. On 12 May 2018, Sarah was installed as the Bishop of London at St Paul's Cathedral, the first woman to hold the position.

Sarah sits in the House of Lords. Her maiden speech paid tribute to the NHS on its 70th anniversary, telling the Lords: "I am the Bishop I am today because of that first vocation to nursing, and compassion and healing are constants at the heart of who I am."

As Bishop of London, Sarah has spoken regularly of enabling “every Londoner to encounter the love of God in Christ”. She led the Church of England’s Living in Love and Faith process from 2020 to 2023. This included the formative stages leading to the introduction of the Prayers of Love and Faith for same-sex couples. She has served on the Church’s National Safeguarding Steering Group and is also Lead Bishop for Health and Social Care issues.

### **Family Life**

Sarah is married to Eamonn, an Irish-born IT and Enterprise Architect who enjoys beekeeping and volunteering as a London tourist guide. The couple have two grown-up children, Liam and Grace. She has continued her interest in the health service as a non-executive director in two NHS Trusts. She is Chair of Christian Aid. She has spoken openly about her dyslexia, describing her difficulties with writing and reading. In her spare time, she loves cooking, walking and pottery.

Each session will be held twice, at 14.00 and 19.30.

# ST OSWALD'S PARISH PROJECT 2026

This year's Parish Project raises funds for the renewal of the kitchen in the church hall.

The Finance and General Purposes Committee is consulting the users of the hall about the kind of facilities that should be included and there is a preliminary design. The target for fund-raising is £25,000 to £30,000 and the fund currently stands at just over £10,000.

St Oswald's Church Hall is an important part of our church's contribution to our community. It is used by a wide range of organisations and programmes, for example:

those helping children to grow and have fun

Rainbows, Brownies and Guides

Kumon - which provides tuition in english and maths

the Childminders group

Hartbeeps sensory development classes for babies and toddlers

the National Childbirth Trust

fitness and dance programmes for adults

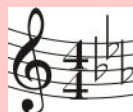

Zumba,

Vision2Dance,

Pilates fitness classes

various groups from the University of the 3rd Age (U3A)

Watford Community Orchestra

In addition the hall is often used for children's parties.

Of course, the church uses it too for Sunday School, Men's Breakfast and many events. Moreover, revenue from the hall is an important source of income for St Oswald's. In 2025 the hall contributed over £16,000 to the church's financial surplus.

Fund-raising events have been arranged including a Quiz evening on Saturday 7th March, Cafe O at the Revels on 20th June and a Summer Concert on Thursday 2nd July.

**Mrs Emma Cole,**

**Headteacher of Malvern Way Nursery and Infant School**

Emma Cole died on 31st December. St Oswald's church was open for four afternoons, from 6th to 9th January, so that parents and children, staff, family and friends could remember her. The school sent the following message.

“It is with deep sadness that Malvern Way Nursery & Infant School announces the death of our Headteacher, **Mrs Cole**, who passed away peacefully on 31 December following a long battle with cancer.

Mrs Cole led the school with exceptional dedication, compassion, and vision for more than 11 years. During her tenure, she championed a nurturing environment where every child is inspired to reach their full potential, both academically and personally. Her dedication and commitment to the school community, her colleagues, and the families she has worked closely with has left a lasting legacy.

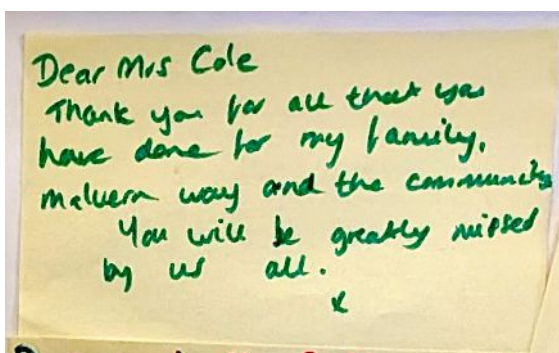

Speaking on behalf of the Governors, Himesh Chavda (Chair) said:

**“Mrs Cole was an inspiring leader whose warmth, integrity, and unwavering belief in young people shaped the heart of our school. She cared very deeply about this school and was incredibly proud of the dedication and talent of her team at Malvern Way. She will be profoundly missed by all who knew her.”**

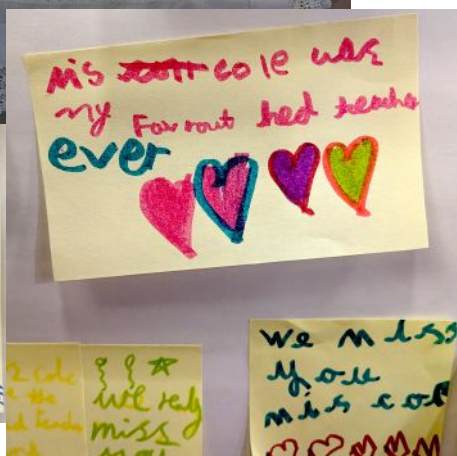

The school is supporting pupils, staff, and families during this difficult time, and arrangements are being made to celebrate Mrs Cole’s life and contribution to the school.

Our thoughts are with Mrs Cole’s family and friends at this time.”

This was an emotional time for the community. There were well over 300 visitors of all ages to the church who came to pay their respects. Many candles were lit, messages were written and pictorial tributes were drawn. (continued overleaf)

Helen McAlpine collected the messages afterwards and the church has presented them to the school for them to use as part of their memorial to Emma Cole.

Loving Lord, as we give thanks for the life of Emma Cole, we pray for her colleagues at Malvern Way School and the entire school community as they seek to support each other at this sad time.

May they know your comforting presence with them and be strengthened by your Holy Spirit through the coming difficult days.

### AABBCC Puzzle

Each row, column and the two main diagonals of the 6 x 6 square has two A's, two B's and two C's in a random order. The clues should enable you to place all of these letters in their correct positions.

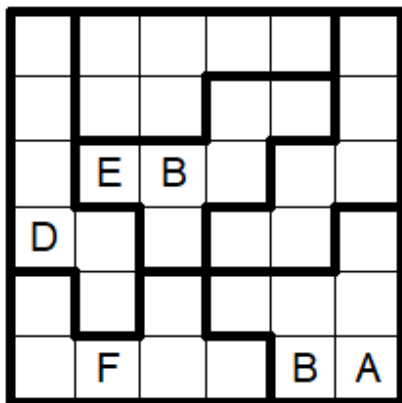

#### ACROSS CLUES

- 1 - neither A is immediately right of a C
- 2 - each B is immediately left of an A
- 6 - neither end square contains a B

#### DOWN CLUES

- 1 - the A's are all somewhere above the B's
- 2 - neither C is immediately below an A
- 3 - the B's are all somewhere above the A's
- 4 - neither end square contains a C
- 6 - the A's are all somewhere above the C's
